

Survey Shows that QuoteWizard Users are Highly Satisfied

In August 2011, QuoteWizard.com conducted an email survey of over 50,000 of our recent users. The results exceeded our expectations.

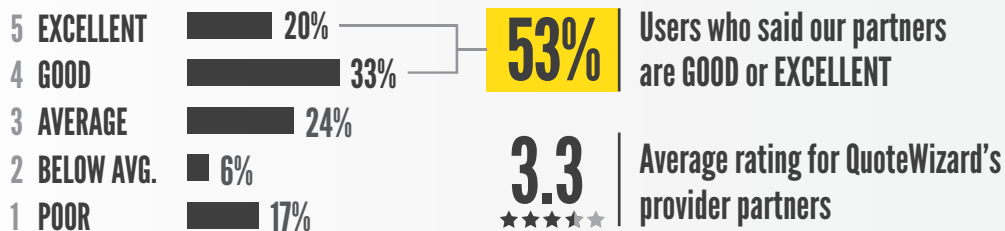

“ It was quick and easy and I got quotes for half the money that I was paying for auto insurance.
- S. Riley

“ It was easy and simple to get quotes from various agents, allowing us to find an agent we felt comfortable with and [who] saved us money.
- B. Aguilera

1 How would you rate your experience with the QuoteWizard website?

2 How would you rate your experience with QuoteWizard's insurance provider partners?

★ **Fact** Nearly one out of three QuoteWizard users reports saving money on Auto Insurance.

What does this mean?

This survey proves what our users already know: QuoteWizard and its agents provide a superior insurance experience for consumers. The partnership between QuoteWizard and its agent network has produced hundreds of thousands of satisfied consumers and millions of dollars in new insurance policies since QuoteWizard opened for business in 2007.
